

Venerdì 5 Febbraio 2010

| | | |
|--|--|-----------------------|
| 09.00 - 12.30 | pre-meeting courses | |
| 12.30 - 13.30 | Lunch | |
| 13.30 - 13.45 | Opening Ceremony | |
| 13.45 - 14.00 | Meeting Presentation | G. Luongo |
| <i>Chairmen: E. Gherlone - L. Cordaro</i> | | |
| 14.00 - 14.40 | Lectio Magistralis: On survival and success of oral implants | T. Albrektsson |
| Bestow of the Honorary Membership to <i>T. Albrektsson</i> | | |
| 14.40 - 15.20 | Delivering Immediate Esthetics on Dental Implants | <i>M. Norton</i> |
| 15.20 - 16.00 | Ridge preservation following tooth extraction | <i>M. Araujo</i> |
| 16.00 - 16.30 | Coffee Break | |
| <i>Chairmen: M. De Luca - L. Montesani</i> | | |
| 16.30 - 17.10 | Optimizing the quality of guided bone regeneration | <i>C. Hammerle</i> |
| 17.10 - 17.50 | Extraction Socket Therapy - Clinical Realities for Bone Regeneration | <i>R. A. Horowitz</i> |
| 17.50 - 19.00 | SIO members meeting | |

Poster Session Venerdì 16.00-17.00 Sabato 10.30 - 11.30

Sabato 6 Febbraio 2010

| | | |
|--|---|--|
| <i>Chairmen: P. Mura - A. Piattelli</i> | | |
| 09.00 - 09.15 | Quality in Implantology: SIO Forum Experience | forum qualità in implantologia |
| 09.15 - 09.50 | Implant placement in fresh extraction sockets. Clinical realities and observations from a multicenter study. | <i>D. Cecchinato</i> |
| 09.50 - 10.25 | Periodontal and implant prognosis: scientific evidence, clinical controversies. | <i>L. Trombelli</i> |
| 10.25 - 11.00 | Bone regeneration and biomaterials: state of the art and future perspectives. | <i>M. Simion</i> |
| 11.00 - 11.30 | Coffee Break | |
| <i>Chairmen: M. Quaranta - M. Ripari</i> | | |
| 11.30 - 12.10 | How much effort is needed to achieve high quality results when replacing multiple adjacent missing teeth in the aesthetic zone. | <i>U. Grunder</i> |
| 12.10 - 12.50 | Quality in the multidisciplinary approach to dental implants treatment. | <i>T. Mankoo</i> |
| 12.50 - 13.30 | Minimally Invasive Implant Protocols and the Management of Risk Factors in Esthetic Therapy: Success By Design. | <i>H. Salama</i> |
| 13.30 - 14.30 | Lunch | |
| 14.30 - 14.45 | Fellowship winner of year 2008 lecture Fellowship 2009 announcement Best Poster Award | |
| 14.45 - 18.00 | Course: How to avoid complications in Implant therapy - In collaboration with: - University "La Sapienza" Rome - University "Tor Vergata", Rome - University "Cattolica", Rome - Quintessenz Publ. Co | Moderators <i>A. Polimeni A. Barlattani A. D'Addona</i> |
| 14.45 - 15.00 | Introduction how to avoid: | |
| 15.00 - 15.40 | - Biological complications. | <i>M. Sanz</i> |
| 15.40 - 16.20 | - Prosthetic complications. | <i>T. Jemt</i> |
| 16.20 - 17.00 | - Surgical complications. | <i>M. Chiapasco</i> |
| 17.00 - 17.30 | - Evidence based strategies to minimize dental implants failures and complications. | <i>M. Esposito</i> |
| Conclusions | | |
